

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 20, 1996

SUBJECT: **SB 2775 - HB 2693**

This bill, if enacted, redefines the term "livestock" for purposes of assessing fees for laboratory services conducted by the Department of Agriculture and expands the definition of "livestock" to include animals raised primarily for "food or fiber."

The fiscal impact from enactment of this bill is estimated to be a decrease in first year state revenues from the addition of animals which will be exempted from the testing fee charged by the Department of Agriculture. The amount of decrease cannot be determined but is estimated to be not significant

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
